

UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

Rick Shawn,
Petitioner
v.
D.W. Neven, et al.,
Respondents

2:14-cv-00738-JAD-PAL
Order Granting in Part and Denying in
Part Motion for Extension of Time
[ECF No. 33]

Petitioner Rick Shawn, who is represented by counsel, has filed a fourth motion for extension of time to file his amended petition.¹ When I granted the last extension, I noted that, in light of the length of that extension, I would not grant another one absent a showing of extraordinary circumstances.² On the date the extended deadline to file his amended petition expired, Shawn filed a fourth motion for an extension of time, requesting until December 30, 2016, to file his amended petition. Shawn again cites the complexity of the case and the lack of time and necessary resources he has to devote to this case as the basis for the requested extension. These circumstances are not extraordinary, so I grant in part and deny in part Shawn's motion: **Shawn has until November 30, 2016, to file an amended petition. No additional extensions will be given.** Good cause appearing,

IT IS HEREBY ORDERED that Shawn's motion for extension of time [ECF No. 33] is **GRANTED in part and DENIED in part *nunc pro tunc* to August 2, 2016. Shawn's amended petition is due by November 30, 2016.** All other deadlines in the May 11, 2016, scheduling order
